\* indicates a required field

### Introduction to the City Reactivation Event Grants

Melbourne is a globally recognised, locally loved, events city; delivering and supporting a diverse calendar of uniquely Melbourne events and creating memorable experiences for each and every visitor. The City of Melbourne acknowledges and embraces the role events play in building all aspects of a bold, innovative and sustainable city. We recognise the events industry in the City of Melbourne is facing unprecedented challenges during COVID-19. In partnership with the Victorian Government we're delivering a [\\$100 million recovery fund](#) that will reactivate the central city. This is an important and positive step in our journey to regenerate our city's economy and safely welcome people back.

City Reactivation Event Grants provide event organisers with an opportunity to access funding to contribute towards events being held within the City of Melbourne during 2021, to activate and reenergise the city.

This funding will help deliver new and exciting events within the City of Melbourne, supporting the events industry whilst also drawing Victorians into the city to support local businesses and hospitality.

### Program Objectives

The City Reactivation Events Grants are designed to support event organisers to deliver events in a COVID safe manner and help encourage people back into the City of Melbourne. We will support publicly accessible events that create memorable, engaging and innovative experiences for locals and visitors to drive visitation into the city in support of city hospitality and retail. We will work with our new and current partners and the community to present a diverse and colourful range of events across the city.

The City of Melbourne has a number of key objectives that we are looking to achieve through these grants, including:

- Driving visitation to the CBD, shopping precincts, hospitality precincts, arts & culture;
- Economic Impact through increased spend for city businesses and supporting key industries;
- Creating 'Uniquely Melbourne' moments through the use of our unique assets and culture to stand out from suburbs;
- Positive Profile for Melbourne through amplifying storytelling and positive media for Melbourne; and
- Increasing positive audience reach and awareness for Melbourne
- Stimulate the events industry within Melbourne.

### Eligibility Criteria

**Applicants must meet the following eligibility:**
