

creative spaces

code of conduct

At Creative Spaces, we strive to create a culture of respect, inclusion, and accountability within our spaces. We manage several sites across the City of Melbourne for creative production and presentation. A positive and inclusive culture is essential for nurturing collaboration, inspiration, and well-being. Using the Creative Spaces Code of Conduct as a guiding tool, please work with us in creating an environment where creativity thrives.

1. RESPECT

Respect other licensees' time, space, and being. Speak and treat people with equal respect, and expect the same respect given to you. Be mindful of making noise, blocking passages, and intruding on other licensees' or shared spaces.

2. CHAMPION A SAFE AND INCLUSIVE SPACE

Creative Spaces is committed to being a welcoming environment for all, embracing people of all beliefs, identities, and backgrounds. Be mindful of how your words and actions may be perceived and stand with us against discrimination and exclusion. We do not tolerate any form of discrimination, harassment, or antisocial behavior.

3. TAKE RESPONSIBILITY AND ACCOUNTABILITY

Be mindful that your actions are not impeding the work of other licensees. Take accountability for your actions, and those of your guests, and how they may affect others. Be responsible for shared amenities and spaces and report any issues promptly.

6. UPHOLD HEALTH AND SAFETY STANDARDS

Prioritise your health and safety in your work and art and follow best practice and OHS procedures. Similarly, be active in ensuring your work and actions are not jeopardizing the health and safety of fellow licensees

5. REPRESENT THE BEST OF CREATIVE SPACES.

Proudly represent Creative Spaces and its associated activities and licensees when engaging online and in the public realm where Creative Spaces is represented. Be mindful not to take any actions that could harm the reputation of Creative Spaces, as this may also impact fellow licensees.

7. COLLABORATE AND SUPPORT.

Foster a spirit of collaboration by sharing ideas and constructive feedback. Support fellow participants in their creative endeavors and celebrate their achievements.
